## MAY NEWSLETTER

**WIRELESS:** Wireless hookups are catching on with almost 30 users changed over already. If you require faster speed and unlimited access, this is the way to go. Monthly packages are \$29.95, \$39.95, \$49.95 and customized high end packages are available. NOT AVAILABLE IN ALL AREAS YET. We are negotiating for tower space to extend our signals and we're putting our first repeater in place at this time.

**SHOP LOCAL:** We remind you that MAX is your local internet service provider. We are 100% owned and operated in Fort Saint James, 110% dedicated to servicing Fort Saint James. We'll stand our record against anyone. If you know anyone using another Internet Provider, remind them that every dollar spent out of town is a dollar less to invest in wireless infrastructure for your neighborhood. Talk them into switching to MAX and we'll give you a free scroll mouse and pad!

**BUSINESSES:** If your business or the company you work for buys data connectivity, we can offer the same or better service for a lower price. Call us.

**NEED JUST A LITTLE INTERNET?:** Our new offer for very light users is an e-mail address for \$49.00 per year and dialup at 2 cents a minute.
