

Internet Technologies Inc. **JULY 2003 NEWSLETTER**

MaX DECLARES WAR ON THE INVADERS: We're sick of out of town suppliers that provide no local jobs, pay no local rents, taxes or memberships, provide second rate services and generally don't give a \$&# @ about our town *stealing* money from our local economy¹. So we're giving Fort St. James no logical reason to deal with anyone else with our **SUPER SUMMER SALE:**

High speed DSL lines – sign up this summer and get 12 months of DSL service for only **\$25.95** a month! Static IP address, easier setup, local e-mail and way better service thru Max.

Unlimited DIALUP – July & August for \$39.95. That's **UNDER \$20 a month** for unlimited, lower than anybody. If you have friends with another provider, tell them they're paying too much! MaX also has more lines, faster pipes and local service.

DIALUP SPECIALS – Student 30 hr/mo package **\$25 for the two months** from July 1 – Aug. 31

Family 50 hr/mo only \$35 for *two months* service!

CHECK YOUR E-MAIL FROM ANYWHERE: We've added a STRIPE of icons to our web page for those who don't like sorting through menus. As well as being found under TOOLS – MEMBERS – WEB MAIL, the MAILBOX ICON will also bring you to our browser based pop mail. Like in Hotmail, you can log on from anywhere. You can also CHECK YOUR ONLINE TIME from the MEMBERS area. Another reason to use www.fsjames.com as your start page²

The online e-mail and hour checker can also be found at www.maxit.net

We've also added an online bingo game and some goodies that change daily: jokes, tips, etc.

RAINY DAY? You can take your Boating Course online! You'll need that license eventually. Click the boat icon.

DOMAINS: we have many domains hosted locally. If you're a MaX customer, you can have your domain hosted for as little as \$9.95 a month! Call us.

OVERHEARD: During an interview with a music producer,

- 1) regarding how the phone companies are making fortunes in download charges, 'It's like a taxi driver claiming he only charges extra driving robbers from bank to bank, he's not the one robbing it'.
- 2) "Your children do NOT need broadband Internet to do their homework."

GARAGE SALE ?: Post your garage sale notice on our community message board. Click the message pile icon or look under TOOLS – MESSAGES

COMPUTER UPGRADES: you can upgrade your home computer at MaX for as little as \$399, we take trade-ins. You can also buy rebuilt older computers – Pentiums from \$100 – and we'll give your old 486 to Father Louis to send to Africa!

¹ Your opinion may differ. Is that your picture in the dictionary under 'quisling'?

² support the MSN.sux coalition against corporate hegemony

We're also so pissed about the softwood lumber BS that we'll gladly sell new Pentium 4s to CUBA until they drop the tariff! Call Fidel and let him know... can u say tongue-in-cheek?
